2022-NOW

ATM Arowana is a company dedicated to the trading of arowana fish, established in 2022. Born from a deep admiration for the beauty and uniqueness of arowana, our business spans from bulk sales of young arowana to a specialized focus on rare and majestic collector-grade specimens.

We believe that an arowana is not just an ornamental fish—it is a symbol of grace, prestige, and fortune. That is why every aspect of our work emphasizes the quality, anatomy, and rarity of each fish we offer.

Our Network

Collaborators. High Skills Profesional Team

We're highly passionate team that full deep in love with Arowana Fish.

ATM Arowana is supported by a team of skilled fish scouts and collectors spread across the nation—even into the most remote areas—to source high-value arowana based on both anatomical perfection and rarity.

We work closely with trusted breeders and farmers, ensuring that our supply remains healthy, top-grade, and ethically sourced.

What We Believe

Dedication &
Integrity

More Than
Just a Fish

Passion

For True Arowana
Lovers

Value Behind
Every Scale

BELIEVE

At ATM Arowana, we believe that every arowana is more than just a fish—it is a living symbol of legacy, energy, and natural beauty. Rooted in ancient beliefs and elevated by modern admiration, the arowana represents fortune, power, and refinement.

We believe in the power of dedication and integrity—from sourcing to care, from the wild to your collection. Each arowana deserves respect, and every collector deserves a connection with a fish that reflects their passion, taste, and identity.

We believe that true value is found not only in rarity, but in the story behind every scale and we are here to bring those stories to life, for those who truly appreciate them.

What We Do

what we serve until now :

Bulk & Retail Sales

We provide both wholesale and retail options for various types of arowana—from farm-raised juveniles to premium-grade adults.
